

REMINDER: RESPONSES DUE TOMORROW FRIDAY MAY 20th.

DISA DSO will be hosting a Program Manager's Question and Answer (Q&A) session on 24 May 2022 from 1400-1500. This Government will provide a brief overview of the program and acquisition approach, followed by a Q&A session where industry can ask questions surrounding the requirements, future capabilities, and approach. This is intended to provide clarity directly from the Program Team.

DISA DSO will also be hosting a follow-on Lightning Networking Day on 26 May 2022. Companies will be given the opportunity to provide a 10–30-minute presentation (Participation dependent) on their capabilities, for the purposes of partnering with other companies for the acquisition. The presentation materials and contact information provided will be posted to sam.gov along with this RFI for companies to reach out in preparation for the upcoming acquisition. Companies can also request information purposes only invites where a company can dial-in to hear the presentations being provided by the other companies.

Companies who are interested in participating in the PM Q&A and/or the Lightning Networking Day should send an RSVP email to vanessa.a.mccollum.civ@mail.mil, jeremy.d.markusic.civ@mail.mil and disa.scott.ditco.mbx.pl84-other-transaction-authority@mail.mil with their company name and points of contact. DISA will then send an invitation to those points of contact prior to both of the events.

If companies wish to submit questions ahead of time for the PM Q&A, these questions will be anonymously asked and answered by the Government team during the event, without revealing the source of the question.
