1. The following questions were submitted in response to this RWP. The Government’s responses are provided below:

Amendment 0001	
Question	Answer
Do you have any specific instructions for Non-Traditional Defense Contractors?	The instructions provided in our Request for White Papers are the same for all potential respondents.
Given that we have responded to to the TARDyS3 RFI and participated in the Reverse Industry Day, should we also respond to this RFWP?	Yes, all vendors must respond to the RWP posted on beta.SAM by the response deadline in order for their submission to be considered for this opportunity.
